Re: *Teman v. Zeldes Needle Cooper, LLP, et al.*
Case 1:24-cv-09830-LJL

Dear Judge Liman:

Our firm represents all defendants in the above referenced matter. On May 1, 2025, Defendant filed a motion to dismiss plaintiff's complaint (ECF Doc. No. 11). On May 5, 2025, plaintiff emailed opposition to the motion (not yet docketed on ECF). Pursuant to Your Honor's Individual Practice Rules, #2(K), the time for Defendants to respond to plaintiff's opposition is May 19, 2025.

In accordance with Rules #2(K) and #1(D), we submit this letter-motion for an extension of time to respond to plaintiff's opposition up to and including **May 29, 2025**. Additionally, pursuant to Rule #2(I), we request an additional five (5) pages for the reply memorandum (for a total of 15 pages).

In accordance with Your Honor's Rules, please be advised as follows:

- (1) The current deadline to respond is May 19, 2025;
- (2) No prior requests have been made;
- (3) No prior requests have been made;
- (4) Plaintiff, *pro se*, has been contacted with our request and has not consented. For the Court's consideration, the request for additional time and pages is due to the supplemental claims set forth by plaintiff, as well as the extensive nature and scope of relief requested by plaintiff.
